

Forever Algal Omega™

#695

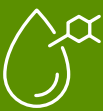

Forever Algal Omega™

Support your brain, heart and eyes with plant-based pure algal oil

Forever Algal Omega features a mindfully sourced, plant-based form of DHA and EPA, with 440 mg total omega-3 per serving, or 1,320 mg omega-3 per day.

The omega-3 oil in this vegan formula is derived from a single strain of one of the most well-studied strains of algae, *Schizochytrium* sp. This provides a consistent, potent fatty acid profile straight from the source — algae, where fish get their omega-3s — with no dilutants from oil blending.

An alternative to traditional omega supplements that use fish oil, Forever Algal Omega provides omega-3 fatty acids in easy-to-take softgels containing 800 mg of pure algal oil per serving. With a DHA to EPA ratio of 3.65:1, Forever Algal Omega provides DHA, which contributes to the maintenance of normal brain function and normal vision, and EPA and DHA, which contribute to the maintenance of normal heart function — without a potential fishy aftertaste.

Pure Algal Oil

Mindfully sourced from algae with omega-3 fatty acids that help support the brain, heart and eyes.

- **DHA**

Also known as docosahexaenoic acid, DHA is the most abundant omega-3 fatty acid in the brain and helps support the brain, heart and eyes.

- **EPA**

Also known as eicosapentaenoic acid, EPA helps support heart health.

Additionally, Forever Algal Omega has no detectable pesticides, herbicides, heavy metals or contaminants. Suitable for vegans and vegetarians, Forever Algal Omega is also Halal and Kosher — making it a great option for those with varied dietary and lifestyle preferences.

Forever's products are not intended to diagnose, treat, cure, or prevent any disease. Individual results may vary.
